TICKET

I bought my ticket via Eventim and received the confirmation mail. What happens now?

In the confirmation mail from Eventim there is a PDF file with a QR code. You will need this code on site for admission! You can print the PDF or bring it with you on your cell phone. Please make sure that you have the QR code ready at the entrance.

PAYMENT OPTION

I don't have a credit card or a PayPal account and I don't use online banking.

Eventim offers several payment options. If you can't use any of them, maybe you know someone who can buy the ticket for you with your data (name, email address etc.).

NO BOX OFFICE

Can I come spontaneously and buy a ticket on the spot?

Tickets can ONLY be purchased in advance via Eventim. There is no possibility to buy a ticket on site. Since the seats in the hall are limited, it is recommended to buy tickets in time. (Remaining tickets as of 28.06.2023: only 140!)

SEAT RESERVATION

Can I reserve a fixed seat?

Unfortunately, we cannot reserve seats for participants. However, due to the large video screen and the high-quality sound system, a good view and good sound is guaranteed from every seat. 😊

There will only be chairs in the hall. For fire safety reasons, it is not possible to sit on the floor. We ask for your consideration.
